

PATENT APPLICATION NO.
ATTORNEY DOCKET NO. 21763.NP

DECLARATION AND PETITION

As a below named inventor, I hereby declare: that my residence, post office address, and citizenship are as stated below next to my name; that I verily believe I am the original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled BREAST SCANNING SYSTEM, the specification of which is attached hereto, or which was filed on April 9, 2004 as THORPE NORTH & WESTERN, LLP Docket No. 21763.NP, and given United States Application No. 10/821,407, and was amended on (if applicable); that the subject matter of the attached amendment or amendment filed on was part of my or our invention and was invented before the filing date of the original application, above identified for such invention; that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above; and that I acknowledge the duty to disclose information which is material to patentability as defined in § 1.56(a) of Title 37 of the Code of Federal Regulations.

I hereby claim the benefit of the earlier filed patent application filed in the United States Patent and Trademark Office as U.S. Provisional Patent Application No. 60/461,871, filed April 9, 2003; and, insofar as the subject matter of each of the claims of these applications is not disclosed in the earlier filed pending applications in the manner provided by the first paragraph of Section 112 of Title 35 of the United States code, I acknowledge the duty to disclose material information, as defined in Section 1.56(a) of Title 37 of the Code of Federal Regulations, which occurred between the filing date of the earlier filed applications and the filing date of this application.
